SERVED ATOP CRUSTINI....10

**We have Vegan options for you.
What's that mean??**

Whether dietary or ethical, the word "Vegan" describes a person or food item absent of animal products including dairy, eggs, & honey. Donald Watson first coined this term in 1944, to mean "non-dairy vegetarian." It has become "a doctrine that man should live without exploiting animals."

Many follow plant based diets due to proven natural health benefits. If this is important to you, ask your server which of our items are Vegan and which may be prepared Vegan by substitution or omission of animal products.

*THIS SYMBOL IDENTIFIES MENU ITEMS PREPARED TO YOUR LIKING
