THANKS FOR YOUR SUPPORT!

During this Covid-19 epidemic we offer a limited menu to start our Takeout & Delivery only service. As it is unknown how long we may be allowed to continue this service nor what items are more desired, we have omitted some regular menu items for now.

We will continue to follow state guidelines for operational services & hours. Only employees will be allowed inside the pub for now. Our employee's temperatures will be monitored at the start and end of each shift. Rest assured that no one with an elevated temperature or who is symptomatic will be allowed to work. As always, we will continue to follow safe food handling procedures and ensure all our cleaning and sanitizing products are easily accessible for employee use.

Please order online through our web site. If you encounter any issues, please call us so we might correct those issues. Growler fills will have to be order by phone or in the parking lot for the time being until they can update our online order menu.

Please call 860-653-2739 when you arrive to pick up your order. For your convenience we will bring your order out to your car.
